

Cube[®] Sampler

Gather, collect, and ship samples simply, easily, and conveniently with the Cubitainer[®] Combination Package from Hedwin!

Here are just a few of the Cube[®] Sampler's important benefits:

- Flexible Cube[®] Insert comes folded for cost- saving convenience in shipping and storage versus rigid bottles.
- Flexible yes! But rugged too! Cube[®] Inserts have long, successful history of serving the toughest field testing applications!
- Wide 38mm screwcap opening makes sample collection easy and the 38mm closure system is field-tested tough!
- Purchase the Inserts alone, or complete your kit with Hedwin-supplied cartons.

The Cubitainer[®] is a UPS-approved shipping container!

The Cubitainer[®] Combination Package has a long and verifiable history of success in serving local, state, and federal government agencies in the safe and easy collection of samples. The Cube[®] Sampler has also been a reliable sample collection system for a wide array of industrial and commercial applications!

Hedwin has just added even more sizes to its already wide collection of Cube[®] Samplers!
